

Do you have a 2009 Poshbeads Buyers Card?

Poshbeads Gallery will open to the public Friday afternoon & weekends in 2009

Friday - 2 to 6pm

Saturday and Sunday - 10am to 5pm

Only Registered Valued Customer cardholders (VC's) will enjoy the privilege of going "Out the back" of Poshbeads glass bead shop, amongst our bead collection, with a shopping basket, to select loose beads, strings of beads, findings and beading materials. VC's can also make purchases during the week – an advance appt avoids disappointment. Customers we do not recognise will have to provide ID with their "V C" card to gain backroom access to our premises.

Monthly Sale Specials will be offered to Poshbeads 'VC' cardholders

This year we have struggled to meet the increasing customer service demands placed on us as other bead shops closed in Brisbane. We will not close the glass bead business in 2009. Our resources will continue to be available to Poshbeads loyal customers.

**Betty offers all customers a DIY beading, designing, repairing, information group session
60 minutes of Beading instruction--1pm Friday--9am weekends.**

Purchasing significant quantities of glassbeads from Betty makes you eligible for our loyalty card
